Coach Dave's Corner

Late December and January were great months for the Seahawks. Between the RAYS Distance Meet, RAC Y One Day Quad Meet, BRSL Lenoir Meet and the CHY Y States Meets, our team is honing on its competitive edge. Commitment to attending practice and working hard is paying off for our swimmers.

Seahawks have also enjoyed a good time socializing together. At several meets our swimmers and families have enjoyed wonderful meals together. It's a real joy seeing these kids having fun outside the pool.

Welcome on Deck.....New Seahawk Swimmers.....

Dry land will start on Feb 5th at 6:30 am at the Y. Scheduled days are Tues and Thurs. Mr Wilson is also our new Team Safety Coordinator. Anyone interested in participating please contact him. I will send more over the weekend..David

Swimmer of the Month Fund

Reminder to ALL parents...please continue to donate just one dollar towards our swimmer of the month fund per month. Lori MacDougall is the team representative responsible for purchasing these awards. Unfortunately only \$9.00 was contributed last month. This made it more costly for us since this month we named two swimmers to receive this award.

GSY Meet

15 swimmers attended the GCY meet on Feb 2nd and 3rd. 110 individual events with just ONE DQ, Wow, what an accomplishment. We had numerous best times. Caps off to ..James,David and Samantha Hoke...Jessie and Ashley Cromie...Zach and Sharidan Nitz..Nathaniel and Mallory Swarts...Bree Samson..Shane Lucas..Matt and Michael Jones....Elizabeth Hernandez..Avery Wilson..Avery also picked up two more 14 & U qualifying cuts states.
