Iredell/Statesville YMCA Seahawks Swim Team Medals in Y – State Championships

Seahawks Swim Team has record weekend at the YMCA State Championships January 18th – 20th.

Hillsborough, NC January 20th, 2008: The Iredell/Statesville YMCA Seahawks Swim Team competed in the Y-State Championships in Raleigh/Durham this past weekend. The Seahawks had a **record weekend** with three swimmers achieving qualifying times for the All-State Swim Championships and it's first **Silver Medal winner!** The Seahawks took swimmers from 7 years old to 17 years old and competed against some of the best swimmers in the state. The Y-State Championships included twelve YMCA swim teams from across the state of NC and included over 600 swimmers. "These kids did a great job!" said Coach Eric Orders (704.528.7509). "We are very proud of them all, they are great athletes." Coach David Jones (828.228.4207) said this was the first weekend in recent history that the Iredell/Statesville YMCA has had swimmers medal at the state level and qualify to swim against the very best in the state. "The Seahawks Swim Team is on the rise," says Coach Dave. "We have some very high quality swimmers. If the Seahawks just add to the number of swimmers competing, we are positioned to become one of the top programs in the state of NC," he adds. This is a great time to get involved in a very exciting sport that is a lot of fun and the very best conditioning of any sports program! Come join the Seahawks.
